

November, 2017

Dear Valued Customers,

SIGMAKOKI CO., LTD.
Sales Department

Notice of end of production and successor products of Beamsplitter Holders (BSH)

Thank you very much for your constant patronage.

Please be announced that **Beamsplitter Holders (BSH)** were discontinued at the end of October, 2017.

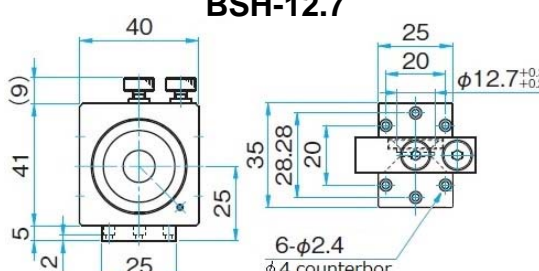

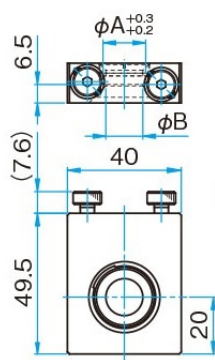

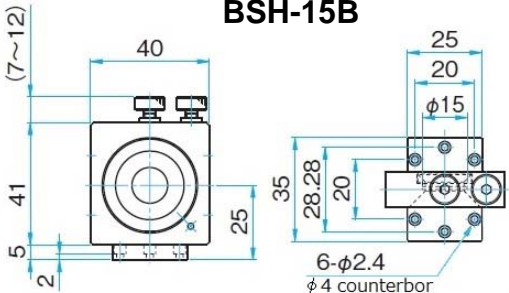

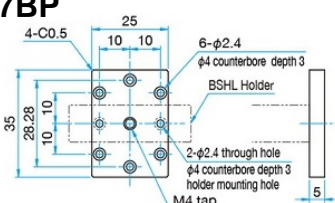

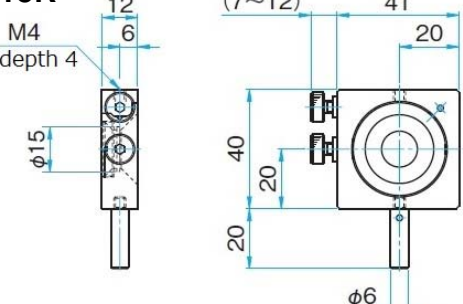

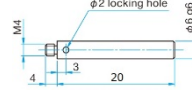

Although these products have not been put on our catalogs and website since 2012, we continued production especially for some customers after that.

Considering the transition to the new model which started 5 years ago was made well enough, we have decided to discontinue the production.

Should you have any questions or concerns, please do not hesitate to contact us.

Thank you for your continued support.

Sincerely,

Discontinued products	Successor products
