

Dear Valued Customers

SIGMA KOKI CO., LTD.  
Sales Department,

About Motorized Stages (Linear type SGSP・TSDM / Goniometer GOHTM)

Thank you very much for your constant patronage.

Please be advised that we started to sell new motorized stages conforming to new CE marking from April 1. (For details, please refer to new General Catalog 01 or WEB catalog).

The safety requirements of CE marking, (EN61010-1), represents that 2001 version (2nd) has been revoked from October 2013, instead 2010 version (3rd) was adapted. For this reason, the mentioned motorized stages such as linear type SGSP, TSDM and Goniometer GOHTM became unsuitable for the CE marking, and we are not allowed to export stand-alone products to the EU countries.

For these motorized stages that are non-conforming to CE marking, we will continue production and sale, however, the information of these stages are not included in the new General Catalog 01 published in April 1, 2014. (WEB catalog still include them).

Although we continue to provide motorized stages, when alteration progresses with the new CE marked parts, and if we are faced with weak demand than our expectation in the future, please note and accept that there is a possibility of the discontinuation of production and sale.

If you need motorized stages non-conforming to CE marking, you are kindly requested to contact our sales representative. We are pleased to make proposals, including alternative products and/or OEM type, in order to meet your needs.

We apologize for any inconvenience that may cause and appreciate for your kind understanding and unchanged support. We promise that we will do our utmost to satisfy our valued customers.

[Notice]

List of motorized stages non-conforming CE Marking

Product	Part Number	Product	Part Number
Mini Translation Motorized Stages – 5 Phase Stepping Motor	TSDM40-15X	SGSP Series Translation Motorized Stages – 5 Phase Stepping Motor	SGSP26-50(X)
	TSDM60-20X		SGSP26-50(XY)
SGSP Series Translation Motorized Stages – 5 Phase Stepping Motor	SGSP15-10(X)		SGSP26-50(Z)
