

August, 2017

Dear Customers,

SIGMAKOKI CO.,LTD.
Sales Department

**Notice of end of production and
successor product of Color Cameras**

Thank you very much for your constant patronage.

Please be advised that **Analog Color Camera (SK-620BJ2)** came to the end of sale.
The supplier discontinued the production and stocks that we had were depleted.

We cannot say for certain when we can post the successor model on the general catalog and website because the replacement which we currently consider is subject to be changed.

Please contact us if you have any questions about the successor model.

Also, please be aware that **SK-N63SCJ-C** and **SK-HD133DV** will be **discontinued once stocks have been depleted***.

We are examining the successor models and they will be announced later.

* Stock status can be seen on the website.

Please feel free to contact us if you have any questions.

We appreciate your kind understanding and constant support.

Sincerely,
