

Dear Customers,

Notice of end of production and successor product of Dry cabinet

Thank you very much for your constant patronage.

Please be announced that the production of Dry cabinet (H-D-M2 series) will be discontinued and changed to the successor product (PH series).

There is no change in basic performance, but LED lighting and dual hygrometer etc. are equipped, and usability has improved, so please refer to the following.

Thank you for your patronage and continued patronage.

Discontinued	Successor Product	External dimension (WxDxH)
