Dear Customers,

Notice of change the part number and specifications of Extensible Stage Controller (Master)

Thank you very much for your constant patronage.

Please be announced that some of the part number and specifications of Extensible Stage Controller (Master) (HIT-M) will be changed with the end of production of the parts used in this product.

HIT-M is for sale while stock lasts, and the product will be discontinued around the autumn of 2020.
The successor HIT-MV will be in stores from February 2020.
Regarding the differences of the specifications between current and successor, please see the below.

Should you have any questions or concerns, please do not hesitate to contact us.
Thank you for your continued support.

Sincerely,

Extensible Stage Controller (Catalog code: W9048)
