

May, 2020

Dear Customers,

SIGMAKOKI CO., LTD.

Sales Department

Notice of the part number and specification change of Extensible Stage Controller (Slave) HIT-S/HIT-SH

Thank you very much for your constant patronage.

Please be announced that Extensible Stage Controller (Slave) HIT-S/HIT-SH will be discontinued due to stopping of production of main components.

The sales of existing stock will be ended in autumn 2020.

The successor product HIT-SA will be available from June 2020.

Regarding the differences of the specifications between current products and successor, please see below the table.

Please do not hesitate to contact us if you have any questions.

Thank you for your continued support.
