

October 2015
SIGMA KOKI CO., LTD.

Dear Valued Customers

Notice of End of Production and successor product of KST series

Thank you for your constant patronage.

Please be advised that we will discontinue “**KST/KST(GS) Series, Precision Motorized Stages**” with successor products “**HST/HST(GS) Series, Precision Motorized Stages**.”

The successor products HST/HST(GS) Series are CE certificated. Mounting hole diameter and hole pitch of HST/HST(GS) Series are compatible with ones of KST/KST(GS) Series.

Please refer to our website for detailed specifications.

We appreciate your kind understanding and constant support.
Please do not hesitate to contact us if you have any questions

Sincerely,

■ Translation Stages
