

Dear Customers,

SIGMAKOKI CO., LTD.  
Sales Department

**Notice of end of production of Metal Halide Fiber Illumination Systems (IMH-250SL)**

Thank you very much for your constant patronage.

Please be announced that the following Metal Halide Fiber Illumination Systems (IMH-250SL) will be discontinued with the end of production by the manufacturer of the parts used in this product.

Due to the end of production, it is expected that not enough maintenance will be taken in the future, and also it will be impossible to repair as soon as the spare parts has run out.

Even if you request us a quotation or order with the current part number, it will be provided with the successor part number when the current stock has run out.

Just for information, metal halide fiber illuminators IMH-250 and IMH-250A will continue to be sold. (The stock status can be confirmed from the stock status on the product page of the Web catalog.)

Should you have any questions or concerns, please do not hesitate to contact us.  
Thank you for your continued support.

Sincerely,

**Metal Halide Fiber Illumination Systems (Catalog code: W5026)**
