

January, 2020

Dear Customers,

SIGMAKOKI CO., LTD.
Sales Department

Notice of end of production of Beam Shaping Diffuser (MDFPC-40/0.2D)

Thank you very much for your constant patronage.

Please be announced that following Beam Shaping Diffuser (MDFPC-40/0.2D) will be discontinued.

Even we discontinued the products, we still have some stock of the products, so we can continue to sell them for a while.

But if we receive the order or request of the quotation regarding the discontinued products before discontinued, it is possible for us to submit the quotation by another products number if there is no stock of discontinued products.

Furthermore, there is no successor model of discontinued products (MDFPC-40/0.2D) .
We will continue to sell the Beam Shaping Diffuser which angle of diffusion is different from the discontinued one. (MDFPC-60/10D、MDFPC-60/1D、MDFPC-30/5D)

Thank you for your continued support.

Sincerely,
