

July, 2019

Dear Customers,

SIGMAKOKI CO., LTD.

Sales Department

## Notice of "RoHS 2.0" compatible interface cable

Thank you very much for your constant patronage.

In line with the revised RoHS Directive (RoHS2.0) from July 22, 2019, we offer new interface cables compliant with RoHS2.0.

The former product which is compliant with RoHS will be end of sale when current stocks have been out of stock.

Should you have any concerns, please contact our sales department.

Thank you for your continued support.

Sincerely,

### Catalog code **W9053**
