Dear Customers,

SIGMAKOKI CO.,LTD.  
Sales Department

## **Notice of improvement and Price revision in Tension Checkers**

Thank you very much for your continued patronage.

We decided to improve our Tension Checkers used for checking wet tensile strength in order to make the tension level (dyne, mN/m) much more accurate and make the confirmation process easier.

Accordingly price is going to be changed from Friday, 1<sup>st</sup> June, 2018.

Please feel free to contact us if you have any questions.  
We appreciate your kind understanding and constant support.
