

March, 2017

Dear Customers,

SIGMA KOKI CO., LTD.
Sales Department

**Notice of end of production and
successor products of Laser Protective Eyewear**

Thank you very much for your constant patronage.

Please be announced that **a part of YL-335 series (Laser Protective Eyewear)** will be discontinued once current stocks have been sold out.

After the discontinuation, please consider purchasing **YL-717 series** as the successor models.

For the details, please refer to web site.

Please do not hesitate to contact us if you have any questions.
